Selected papers for queue computing

1. **Old research**

2. **Language**

3. **Design of PC type queue machine**

4. **Proposition of C type and P type queue machines, and theoretical analysis**

5. **C type queue machine**

6. **FARM machine**

7. **QJAVA**

8. **QRP type queue machine**

9. **P type queue machine**
   - M. Sowa, B. A. Abderazek, S. Shigeta, K. Nikolova, and T. Yoshinaga, " Proposal and Design of a
Parallel Queue Processor Architecture (PQP) ", 14th IASTED Int. Conf. on Parallel and Distributed Computing and System, Cambridge, USA, pp. 554-560, Nov. 2002.

10. Queue compiler

11. SMT queue machine

12. Multi dimensional queue processor
